Research
Databases

Available in all library
branches and on your home
computer by visiting us at:

www.sussexcountylibrary.org

EBSCOhost is a gateway to numerous online databases, offering access to full text articles, newspapers, biographies, reference books, and primary source documents.

Information for Students

Searchasaurus

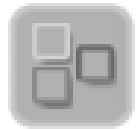

includes information about animals, art & music, health, history, people & places, science & math, sports and stories for elementary school students.

Student Research

Center (SRC) makes it easy

for students to search by keyword or photos, topic in magazines, reference books, and more.

Kids Search

also allows students to search by keyword or by topic such as animals, art & music, geography, health, math, science, and more.

Literary Reference

Center is for high school and undergraduate English and

Humanities students with homework and research assignments. This database includes literary criticisms, plot summaries, author biographies, reviews, interviews and more.

Novelist K-8 is a source to rely on when looking for a good book to read. Features include award winning books, recommended reads and author biographies.

Points of View is designed to assist researchers in understanding the full scope of controversial subjects. High school and undergraduate students can use *Points of View* as a guide to debate, developing arguments, writing position papers, and for development of critical thinking skills.

To access any of the Information for Students from your home computer:

- Go to the library's webpage.
- Click on **Databases**
- Scroll down to **EBSCOhost**
- Choose that you **ARE NOT** in the library
- Type in your library card barcode number and click **Login**
- Scroll down to the database you would like to access.
